Barry and I had the most wonderful time with you and David. Your care and attention to detail is second to none. The hotel was perfectly placed, being 10 mins from the Caja Magica and central to most things that Madrid has to offer. It was the most memorable time, power cuts and all !!! Once again, thanks a million for making our second trip to see the tennis a great experience 😊👍 will definitely be booking for next year

A fantastic trip with you both, Jessica and David - thank you so very much. You thought of everything and went out of your way to ensure we were all comfortable and enjoyed ourselves!

As a single traveller, I felt looked after very well and it was reassuring to be made aware, at each stage, of what was happening next - which you always do!

I look forward to my next trip with you both.
