We'll meet at Alicante Train Station at 07:00 and pass through Security as a group to board the High Speed Ouigo Train, destination Chamartin Madrid. (Optional coach transfer from the Costa Blanca South to the train station, which will leave the first pick up La Zenia at 05:40). We'll have seats in the lower deck and can get comfy as the train whisks us at 200km an hour. During the journey we'll supply you with information packs about Madrid's main attractions and some of the special Christmas activities which you can enjoy there. On arrival in Madrid, we have included a metro ticket from Charmartin through the 6 stops on Line 10 to the Alonoso Martinez station just 200 metres from the hotel to drop off your overnight bag. Alternatively you can opt to take a cab the 5km to the hotel (not included) or, if you have travelled light you can start your exploring immediately. You can check into your room from 16:00.

Should you wish to use the metro during your stay, we will help you purchase a multi-trip card for around 10€. This can be used by anyone so you just need 1 per group or couple and entitles you to 10 journeys on either the metro or the bus.

Madrid is truly magical at this time of year. The city sparkles with festive lights, and every corner seems to offer something new to enjoy. Whether you'd like to visit one of the world-class museums, browse the shops and Christmas markets, see a musical, or simply stroll through the beautifully lit streets, Madrid invites you to set your own pace. Why not take in the famous Christmas lights aboard the open-top bus or enjoy the charming Cortylandia show, a festive tradition beloved by locals?

DAY 2 FRIDAY 5TH DECEMBER 2025

After a comfortable night's sleep, you can indulge in a lovely late breakfast, check out and leave your luggage in the hotel's store room. You'll have all day to carry on enjoying the vibrant and varied offerings of Marvellous Madrid. We'll rendezvous at the hotel at approximately 18:00 to take the underground 6 stops for the return train which leaves at 20:15 and arrives in Alicante at 22:40.
