## DAY 1 MONDAY 22 DECEMBER 2025

Our journey begins with a comfortable coach transfer to Alicante train station, where we board the 07:24 Renfe high-speed train. Sit back and relax as we glide across Spain, covering an impressive 925 km in just five hours via Madrid. We'll arrive in Ourense at 12:30, where a local coach will be waiting to collect our luggage, giving us the freedom to stretch our legs and enjoy a quick bite in the charming city centre.

From there, we set off on our first taste of Galicia, making a stop in a small but iconic village—winner of last year's Ferrero Rocher Juntos Brillamos Más award. Soak up the atmosphere before we continue to our hotel, arriving around 16:45. After check-in, take some time to unwind before we gather for a delightful evening buffet, complete with wine and water.

## DAY 2 TUESDAY 23RD DECEMBER 2025

After a hearty hot buffet breakfast, we set off for the northern Galician coast to discover the dynamic city of A Coruña. This historic port, renowned for repelling Sir Francis Drake's English Armada in 1589, has long maintained its deep connection to the sea. Today, it thrives as a bustling Atlantic hub, where maritime heritage blends seamlessly with modern city life.

Wander through the charming historic centre, admire the striking glass-fronted galleries overlooking the port, or visit the house where Picasso spent his youth, and soak in the lively atmosphere of Plaza de María Pita, the heart of the city, lined with inviting cafés. Take time to indulge in A Coruña's renowned seafood at its markets and restaurants, or enjoy a leisurely stroll along the vibrant beach front promenade. We'll also explore the surroundings of the iconic Torre de Hércules, the world's oldest working lighthouse and a UNESCO World Heritage Site, a symbol of A Coruña's rich maritime heritage. The day is topped off with a buffet dinner with wine and water at the hotel.

### DAY 3 WEDNESDAY 24TH DECEMBER 2025

After breakfast, we set off for the stunning O Grove Peninsula, where an unforgettable experience awaits. Boarding our Vision Submarine (included in price of tour), we glide through the serene Arousa Estuary, gaining a fascinating insight into the traditional mussels, oysters, and scallops farms. We round off the experience by savouring freshly harvested mussels on board, perfectly paired with locally produced wine. Our journey continues along the scenic coastal road, with a stop in one of Spain's Pueblos Más Bonitos, before returning to Vigo, where the afternoon is yours to explore at leisure. Take a stroll along the marina (beside the hotel) or through the newly renovated Ría de Vigo area where you can wander along the sculpture-lined Paseo Marítimo de Bouzas (just 3km from the hotel), or ride the impressive Halo elevator—installed in 2024—to enjoy breathtaking panoramic views of the city (1.5km from the hotel).

As evening falls, a delightful buffet dinner with wine and water awaits at the hotel. Step outside and let yourself be enchanted by Vigo's dazzling Christmas lights, a spectacle that has earned the city its title as Spain's Christmas Light Capital. Stroll beneath the twinkling displays, soak up the festive atmosphere, and let the holiday spirit wrap around you like a warm winter glow.

#### DAY 4 THURSDAY 25TH DECEMBER 2025

After opening your stocking (not included!) and breakfast, we have a Christmas day treat planned. Not only does a magnificent view await over the Río Miño, to Portugal on the far side of the estuary, but also the strange hilltop ruins of a 1st century B.C. Celtic settlement. From here we head down to one of the most typical fishing villages in Galicia, designated a European Destination of Excellence.

We return to the hotel for our Gala Christmas lunch and free time after to soak up the festive lights or simply relax and rest after all the Christmas indulgence and hype!

## DAY 5 FRIDAY 26TH DECEMBER 2025

After breakfast we travel north to the Holy City of Santiago de Compostela, one of the three important pilgrimage cities of Christianity, alongside Jerusalem and Rome. Here you can discover the historic quarter declared a World Heritage Site by UNESCO, visit the famous food market for a taste of authentic flavour and visit the jewel that is the Cathedral. Ledged has it that this stunning Cathedral was built on the site where the Apostle Saint James was buried. You'll have plenty of time to marvel at this stunning masterpiece where there is an aura of reverence and calm. During the return journey we take a couple of hours to discover one of the Europe's Historical Gardens (included in price of tour). In this garden over 6,000 Camellias flourish from more than 2,000 varieties and this led the owners to begin cultivating their own camellia sinensis tea, for which the garden is also renowned.

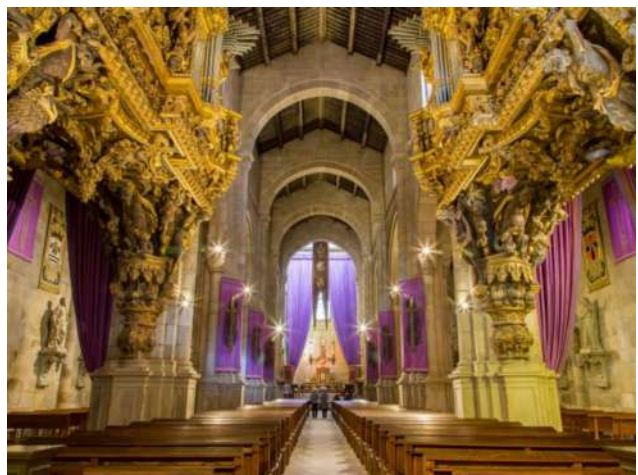

## DAY 6 SATURDAY 27TH DECEMBER 2025

After breakfast, we set off on a special adventure—visiting another country! Crossing the Río Miño, which marks the Spanish-Portuguese border, we arrive in Braga, a true gem of northern Portugal. Known as the religious capital of Portugal, Braga is a city of breathtaking beauty and rich heritage.

Spend the morning exploring its magnificent landmarks, including Portugal's oldest cathedral, nestled in the heart of the historic centre. Stroll through the charming Santa Barbara Garden, admire the intricate façade of the Palácio do Raio, and soak in the city's elegant architecture. We'll also visit the iconic Sanctuary of Bom Jesus do Monte, famous for its spectacular 577-step Baroque stairway. If you're feeling adventurous, climb the steps on foot, or take the historic funicular for a few euros. At the top, you'll be rewarded with lush gardens, stunning views, and the beautiful church, perfect for a peaceful wander before treating yourself to a drink at the hilltop café.

We then return to Vigo for our final evening meal and one last chance to bask in the glow of the city's world-famous Christmas lights.

## DAY 7 SUNDAY 28TH DECEMBER 2025

It's time to begin our journey home, but not before a delightful stop in the charming city of Ourense. Known for its natural thermal springs, you can visit the iconic Burga de Abajo fountain, where warm, therapeutic waters flow from a stunning neoclassical structure. Don't miss the impressive Ponte Vella, a medieval footbridge perched on Roman foundations, and the bustling Plaza Mayor, the heart of the city. We enjoy a final meal together at a local restaurant in preparation for the journey (included in price of tour). The coach will safely hold our luggage until we make our way to the train station, ensuring we're on time to catch the 16:25 high-speed train to Alicante. We'll arrive at 21:30, where our local coach will be waiting to whisk us home, carrying with us unforgettable memories and the spirit of Christmas!
