DAY 1 WEDNESDAY 29TH APRIL 2026

We head straight to our first of three garden experiences where the little kiosk bar provides opportunity for morning refreshment. As the Mediterranean spring brings the diverse botanical collections into vibrant, peak bloom, it's the perfect time to lose yourself in the fragrance of the aromatic herbs and explore the "Labyrinth" garden while the surrounding landscapes are still lush and green before the summer heat. Then it is onto a living laboratory where the rare and medicinal flora of the Mediterranean as well as the Irises burst into life against the backdrop of the Mariola mountains. You'll find the botanical collections at their most photogenic, offering a tranquil walk through organized plots of flowering herbs and unique species that thrive in the mild spring sunshine. We pause for a delicious and traditional menu del dia before returning to nature with a 4km walk along the flat Via Verde, an abandoned railway line, or you can choose to skip the walk and enjoy some free time in the centre of Alcoy. We aim to check into the hotel around 16:45 so you'll have time to relax and spend the evening at your leisure discovering some of the Tapas bars on the high street beside the hotel, or venturing into the bar lined Placa Dins in the old town.

THURSDAY 30TH APRIL 2026

After a delicious hot buffet breakfast, we check out and head to our third and final garden. It is the perfect moment to stroll through shaded pergolas and stone grottos, where the 19th-century charm is enhanced by the lush, fresh energy of a Mediterranean spring at its peak. You can even take on the amazing hedge maze—a delightful workout for both your brain and your feet! We indulge in another traditional menu del dia in a mountain village before arriving at the magnificent Relleu Pasarela. This 3.6km linear route features a spectacular 850-meter suspended wooden walkway, including 120 steps in each direction leading to a breathtaking glass-bottomed platform. For those with a head for heights, it offers a thrilling surge of adrenaline! (Entrance fee and mandatory helmet are included). If the walkway feels a bit too adventurous, you can choose to explore the charming village of Relleu instead, where you'll find plenty of cosy spots to relax with a drink. We return home full of memories, with an estimated arrival time of 19:00.

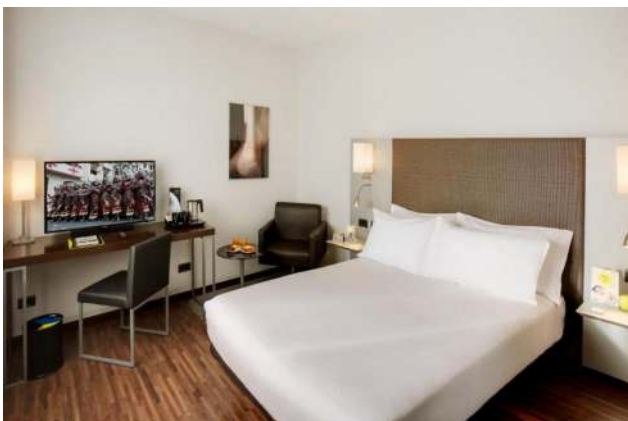

4* B&B HOTEL SEROTEL CIUTAT D'ALCOI

This chain hotel combines the past with the present. Set within 3 buildings, one of which is included in the Modernista route, it offers all the modern amenities. The rooms are spacious rooms with extremely comfortable beds and all are en-suites with baths. Upgrades are available to Superior rooms which have walk in showers and a nicer view (+15€ per room).

The hotel has the Lahidro Restaurant for dinner. It's décor mixes industrial and contemporary styles, reflecting its original purpose of being a hydro-electrical power station. It is located beside a modern shopping mall along the vibrant high street with its shops and eateries.

The Serotel Ciutat D'Alcoi has a Booking.com rating of 8.6 Good and a Tripadvisor rating of 4.0.
