DAY 1 MONDAY 31ST AUGUST 2026

Our adventure begins with a stop at Caravaca de la Cruz for a morning coffee. You can nip into the Running of the Wine Horses museum to discover its unique history and embroidered coats, or walk up to the sanctuary for stunning views and a piece of the Real Cross! We take lunch (included) at a local restaurant before arriving at a picturesque town crowned by its castle. After coffee, we head to the famous river walk. This flat 3km path incorporates wooden hanging platforms, a cave, and a metal suspension bridge over crystal-clear waters. As the path is there and back, you can walk as much or as little as you please. After this refreshing experience, we take in the badlands as we make our way to the hotel. As evening falls, we gather for a leisurely dinner with wine and water, rounding off a wonderful first day in true Andalusian style.

DAY 2 TUESDAY 1ST SEPTEMBER 2026

After a typical Spanish style breakfast we check out and make our way to the Geopark. Our adventure begins in a quiet village, where there is time for a coffee before climbing aboard chauffeur-driven 4x4s (included) to journey deep into the extraordinary desert. This surreal landscape of ravines, canyons, and towering “fairy chimneys” feels almost otherworldly, and as we travel off the beaten track, we come face to face with its raw beauty—an unforgettable experience that shows nature at its most spectacular. After soaking in these incredible sights, we return to the private Almond Farm of the jeep drivers where they reveal all there is to know about how to harvest almonds. We continue onto a local restaurant for a delicious late menu del dia (included) before returning home at approximately 19:00.
