DAY 1 TUESDAY 6TH OCTOBER 2026

Leaving early morning (07:00) we head north, with a comfort stop on route to the stunning Sant Josep Caves for a boat ride along one of the most spectacular navigable underground rivers. The visit includes a section by boat of 800 meters and a flat walk of 250 meters (no steps, just getting on and off the boat). The visit will be guided in English and takes approximately 50 minutes, with a constant temperature of 20°C throughout the year. It is the longest navigable underground river in Europe.

We then head to the coastal part of Segunto where there are a selection of restaurants for choosing a meal at. We continue to the hotel to check in around 17:00 and relax before the buffet evening meal with wine and water.

DAY 2 WEDNESDAY 7TH OCTOBER 2026

After the breakfast buffet we head south to learn more about the tile industry for which the area is famous.

We spend the morning in the small city of Villarreal, a dynamic hub where industrial heritage meets sporting passion. We explore the city's ceramic roots at the Manolo Safont Tile Museum in Onda, before taking an immersive tour of the fascinating and very yellow Estadio de la Cerámica, showcasing the local club's success. We head to Castellón where you can select a place for a bite to eat, admire some of the Art Nouveau buildings, climb the 188 steps of the bell tower for stunning panoramic views or just amble through the shopping district.

The day is finished off with the buffet evening meal with wine and water at the hotel.

DAY 3 THURSDAY 8TH OCTOBER 2026

After the breakfast buffet we set off for a day of delights for all of the senses!

We mix the day up to include; a stop at the village of Vilafames, a stunning hilltop village, where steep, winding medieval streets and ancient fortifications are built around the Roca Grossa, a massive, 2,000-tonne boulder that sits dramatically in the centre of town and a Bodega experience complete with tour and tasting.

Heading to the inland part of Benicassim you can select a place for a bite to eat and choose to either return to the hotel or opt to walk the 5km coastal via verde (flat abandon railway line) from Benicassim to Orpresa before returning to the hotel for 17:30

You have the late afternoon for more relaxing before the buffet evening meal with wine and water.

DAY 4 FRIDAY 9TH OCTOBER 2026

Enjoy a final breakfast buffet at the hotel before we check out to begin our journey. Our departure coincides with the Region of Valencia Day, a local holiday commemorating the area's status as an Autonomous Community.

Our first stop is the beautiful Malvarrosa Playa, Valencia's premier beach, where you can enjoy a morning coffee or a stroll along the promenade. From there, we head to the port to board a boat for a scenic coastal tour. You will see the shoreline from a new perspective and learn about the local mussels cultivated in the marina - complete with a freshly prepared tasting right on the water.

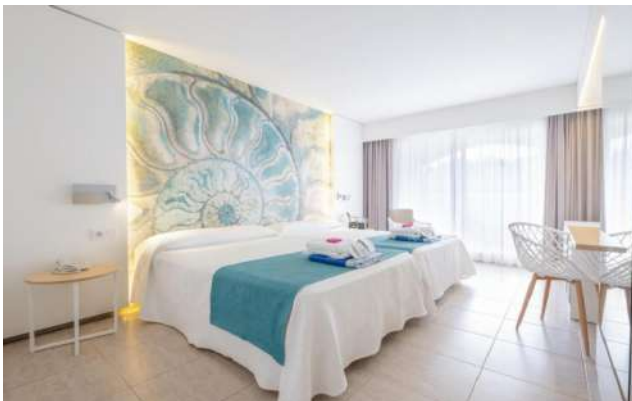

We then visit the charming coastal resort of Port Saplaya, which offers a great selection of restaurants for your midday meal. We continue our journey home with a comfort stop en route, aiming to arrive back in Torrevieja at approximately 18:30.
